

"Going the extra mile to meet our customer's needs"

Based in Langley, BC, Sherkill Transport Ltd. has additional terminal in Edmonton, Alberta to address all your transportation and logistics requirements. Our fleet boasts over 32 units in the flat deck and van divisions.

Sherkill Transport Ltd. was founded in Canada in 1999 by Raj Gill. Along with 10 years of transportation experience, Raj also brings with him the reputable Sherkill name. The company Sherkill Transportation Services, originated in 1942 in India when his uncle, Darshan Gill, started a trucking company in his home state of Punjab. The family business eventually morphed into a successful bus company, but the Sherkill transport legacy is carried on today in Canada by brothers Raj and Terry Gill.
